### CSA Share Holder Agreement

For our CSA, I email out once a week with a list of veggies, pork, beef, eggs and sometimes chicken for each session. You as a member need to email me back (by the cut off time) with a list of what you want according to your allotment that goes with the share that you purchased. Each week we will box that list for you to pick up at your designated drop off. If you would like to spend more than your allotment just put it in your order/email and pay the difference when you pick up that week. If you do not email me back by the cut off time you will receive a “surprise box” with items that we choose for you. If you do not pick up without notifying us 1 week in advance you forfeit that weeks share. If you do notify us in advance that you will be unable to pick up you may double up the week before or the week after. If you are unable to pick up that day feel free to have a family member or friend stop by the drop off and get your box. It doesn't matter to me who picks up for you as long as someone does. We look forward to working with you in the coming weeks. If you ever have any questions or a problem arises please let us know. Thanks for being part of our CSA!

Please Sign your name and put your drop off location verifying that you have read and understand the above agreement. Return with your application. Thanks!
